To Live But Not Forget

👁 3 ✓ 0 ★ 1

Chapter 1 by alexis

To live is a decision i had made instead of taking my life away. The things i have seen and the things that had happen to me will never be forgotten. This will not be your typical story about drug lords and prostitutes, this will be a typical story of my life and the things that i have been through, i know you might not care to hear my story but i just have to vent to someone even if you aren't listening.
